Dear Friends & Sponsors:

Thank you so much for your continued and generous support of the 4th Annual Western Academy Golf Classic benefitting Western Academy lower and middle school boys in the greater Houston area. Proceeds from this event will support the Western capital improvement fund as well as scholarships for families with financial need. The event will be played on March 8, 2018 at Blackhorse Golf Club.

Western Academy is a liberal arts school for boys, grades 3-8 located in Houston, Texas. The overarching mission at Western Academy is developing the whole person: Intellectual, Moral, Physical and Spiritual. The school is designed to provide the highest level of education to lower and middle school boys that can be found anywhere. Our goal is to prepare young men, rooted in the true, the good, and the beautiful, who can serve as leaders in our society through their strength of mind, heart, and imagination.

Players in this year's event will be able to join in the Western Academy House competition. Teams will be organized and assigned to a Western House. The House with the largest aggregate total for the event will earn one (1) point toward the House Cup. Scoring will be based on the top finishing teams (1st, 2nd & 3rd) as well as number of participants for each house. This single point could make the difference between winning or losing the House Cup this year.

Your support is greatly appreciated as we celebrate and support these young men and future leaders. We hope you will participate as a sponsor, team or as individuals and have a great day of golf and fellowship with friends and Western Academy families. **Please return the attached entry form with sponsorship and player registration details no later than February 16th to secure your place in this year's event.** You can also donate and register on-line at (www.westernacademy.net/golf-classic)
